## Parts and Assembly Cleaner

Flash point > +60°C

Especially developed cleaner for coarse, oily and greasy soiling. Because of the long working time, also suitable for cleaning bigger or heavily resinified surfaces.

**Due to the high flash point (> +60°C of the active substance), this cleaner corresponds to the former German Vbf-classification AIII and complies with the cooperative recommendations for the safety at work. This is an advantage compared to traditional AI or All cleaners.**

Parts and Assembly Cleaner is free of acetone, butanol, ethyl acetate, etc.

### Applications:

- Cleans quickly and efficiently all kinds of assembly parts, aggregates, construction parts and tools
- Removes oils, greases and other soiling from all metal parts
- In the automotive sector: Cleans brakes, clutches, motor parts, etc.

### Directions for use:

Spray a sufficient quantity onto the parts to be cleaned and allow to react. If necessary, wipe off with a clean cloth. Repeat this process with heavy soiling. Not suitable for the preparation of parts to be bonded!

Caution: Check the compatibility with plastics and elastomers prior to use. Paints can be attacked.

### Packaging:

500 ml	Spray can	Art.-No.: 11201500
5 l	Bulk	Art.-No.: 15210005
10 l	Bulk	Art.-No.: 15210010
30 l	Bulk	Art.-No.: 15210030
