

# Multi-Foam

**Available sizes:**

72000400

Multi-Foam 400 ml

## powerful universal cleaner

The environmentally neutral Multi-Foam is the ideal cleaning agent for caravans, motorhomes, and all kinds of camping equipment.

In the interior area, it gently yet efficiently cleans camping furniture, upholstery, wet rooms, and many more. But not just on the inside, Multi-Foam also gives the outside of the home on wheels a new shine.

For example, the foam cleaner also cleans camping chairs and tables, which are left outside in all weathers, fast and easily.

In addition, Multi-Foam reliably cleans the windshield, windows, headlights, rear-view and side mirrors as well window shades and window bug screens. Thanks to the cleaning foam, insect residues can be easily removed.

Whether in a caravan, mobile home, alcoves, semi-integrated or integrated motorhome, campervan, vintage van, tent, or log cabin - Multi Foam is a loyal companion on every camping trip.

Multi-Foam can be used to clean many different surfaces, such as metal, plastics, glass, ceramics, or painted and coated surfaces.

## Technical Data

Odour	<a href="#">citrus</a>
Features	<a href="#">biodegradable</a>
Silicone free	<a href="#">yes</a>
Colour	<a href="#">white</a>

## Storage

Pressurized container: protect from sunlight and do not expose to temperatures exceeding +50°C.

## Safety and health

When using WEICON products, the physical, safety technical, toxicological and ecological data and regulations in our EC safety data sheets ([www.weicon.com](http://www.weicon.com)) must be observed.

### Note

The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and responsibility, this information is provided without any obligation. We do guarantee the continuously high quality of our products. However, own adequate laboratory and practical tests to find out if the product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the only responsibility for non-appropriate or other than specified applications.
