W 44 T® Multi-Spray 200 ml

multifunctional oil with compound action

W 44 T® is THE multifunctional product: rust loosener, lubricant, contact spray, corrosion protection, and cleaning agent, all rolled into one product!

The all-purpose spray loosens seized up screws, jammed awnings and tent poles, as well as stiff camping chairs, tables and drawers in every mobile home.

The multi-purpose oil gets rid of squeaky and creaky noises on hinges, guides, bearings, and all types of joints and couplings.

It penetrates and removes rust and aids the lubrication of sliding doors or caravan jacks.

The all-purpose oil repels humidity from electrical contacts, prevents leakage currents, and makes it easier to start wet motors.

The spray belongs in every camping kit and is a handy helper on every trip - whether to the Sahara desert or the North Cape - W 44 T® is temperature-resistant from -50 C° to +210 C°!

Whether in a caravan, mobile home, alcoves, semi-integrated or integrated motorhome, campervan, vintage van, tent, or log cabin, the all-purpose oil W 44 T® is suitable for all kinds of camping.

Technical Data

Odour	vanilla
Features	multifunctional oil with compound action
Silicone free	yes
Colour	yellowish
Temperature resistance	-50 to +210 °C

Storage

Pressurized container: protect from sunlight and do not expose to temperatures exceeding +50°C.

Note

The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and responsibility, this information is provided without any obligation. We do guarantee the continuously high quality of our products. However, own adequate laboratory and practical tests to find out if the product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the only responsibility for non-appropriate or other than specified applications.
