Fitting Spray 200 ml

free of silicones and resins

WEICON Fitting Spray is suitable for lubrication, care, and maintenance of many fittings used in the camping sector.

Whether vent windows, skylights, doors, folding arms and hinges on awnings, drawer slides, tilt-and-turn and hinged-arm fittings, hinges, or locking mechanisms - the lubricant is always the right solution.

Fitting Spray is colourless and odourless, and free of silicone, resin, acid, and solvents. Thanks to its excellent capillary action and water-rejecting properties, WEICON Fitting Spray reduces friction and wear and suppresses squeaky noises. The spray can be used indoors and outdoors, and is weather-resistant. It protects against corrosion and removes dirt.

Whether in a caravan, mobile home, alcoves, semi-integrated or integrated motorhome, campervan, vintage van, tent, or log cabin, the Fitting Spray is suitable for all kinds of camping.
